

Couch to HEY5K

Going from the couch to running a 5k takes preparation and a bit of commitment. But you can do it. The Hey 5k takes place downtown Muskegon, the second Saturday every August. We recommend beginning this training program near the beginning of June if not sooner.

Take these steps for your warmup:

Do about 5 to 10 minutes of light aerobic exercise to loosen up your muscles and warm you up for your run. ... If you like doing dynamic stretches or exercises before your run, do walking lunges, jumping jacks, or opposite toe touches. Begin your run.
