Another successful community family friendly event brought to you by Hey Radio! Thank you to all participants and sponsors!

## On your mark! Get Set...GO!

The 7<sup>th</sup> annual Hey 5k run/walk was a tremendous success! The rain storm that came through the night before cooled off the track and over 160 runners and walkers had a great time. For race results go to [www.heyradio.com/hey5k](http://www.heyradio.com/hey5k) and see who won! Prizes even for those who didn't medal kept everyone close by long after the race was over. The **Traveling Microphone Trophy** changed hands this year from New Life Church to the slightly more enthusiastic **Grace Memorial Baptist Church**.

## Winners: "Most Spirited Church group!"

Remember to sign up YOUR church group for the 2017 Hey 5K

## “Talk Dirty to Me” .....Seriously?

This station exists as an alternative to secular POP artists like Jason Derulo and his latest billboard hit “**Talk Dirty to Me**”. (Don't bother looking it up, the title says it all). Every day someone is writing garbage like this and kids are hearing it on radio stations across the country, every hour, on the hour. It won't stop, but there is something you can do....As we close out the Summer months we can see the yearend looming. And that means we'll be asking you to donate to this station so that we can **continue broadcasting in 2017**. The Hey 5k is the only fundraiser we have but it only produces 5 months of operating capital. We rely on your support for the rest. This Thanksgiving, Hey Radio celebrates its **8<sup>th</sup> year** of broadcasting the finest Christian rock available. We're thankful for the ability to broadcast good clean Christian content. Your help is necessary! Consider making a tax deductible contribution today. Donate online at [HeyRadio.com](http://HeyRadio.com) or mail you support to:

## Meet new board member Bob Kuhn

Bob has been a leader in Muskegon since 1975. Since retiring from nearly 40 years as the **Director of Public Works** for the City of Muskegon, he's taken on the role of Pastoral Care Team member at Harvest Bible Chapel North Muskegon. Bob dedicates his life to **servng Jesus Christ both inside and outside of the church walls**, with a sincere heart for community outreach. He loves reaching out to kids and mentoring them through life. He's decided to become a board member because he believes in the mission of Hey Radio. He's a welcome addition to our team of dedicated volunteer leaders.

(Ask him about his secret handshake)
